

We'd love to invite you to be part of something special — **Fall Festival for the Kids**, happening **Saturday September 27th** in Advance, NC. This family-friendly event will feature food trucks, music, a dog fashion show, inflatable slide, crafts, and more — all to support **Pinebrook Elementary School** right here in Davie County.

As a Title I school, Pinebrook serves a large population of students from low-income families and relies on additional support to meet critical educational needs. The school is home to over **500 students** and a dedicated team of educators who go above and beyond daily. Yet, many classrooms still lack basic resources — from books and technology to sensory tools and hands-on learning materials.

This is where **community partners like you** make all the difference.

We are currently seeking **sponsors and local donors** to help fund the event and amplify its impact. Sponsors will be recognized at the event, on signage, and through social media shoutouts — but more importantly, you'll be part of something meaningful for local children who truly need it.

Thank you for considering this opportunity to make a difference.
